## FREQUENTLY ASKED QUESTIONS (FAQs)

### What is the increased benefit provided by the Community Transportation Benefits Program?

The Community Transportation Benefits Program helps cover transportation costs for qualifying individuals in San Mateo County. Starting in July 2024, the program benefit doubled from the original \$100 to a total of \$200 distributed on a Clipper Card or FasTrak® toll tag. In early 2025, the benefit will transition to \$200 on a mobility debit card provided annually upon eligibility reverification.

### How do I know what benefit I am eligible for?

If you are a **new participant**, you may choose between a \$200 Clipper Card or FasTrak® toll tag.

If you are a **current participant** who received a benefit within the past year, you may come back and choose between a \$100 Clipper Card or a \$200 FasTrak® toll tag.\*

If you are a **previous participant** who received a benefit over a year ago, you may come back and choose between a \$200 Clipper Card or a \$200 FasTrak® toll tag\* after reverifying your eligibility.

Case managers at the Core Service Agencies will help you determine your eligibility and benefit amount.

### What if I just received a benefit through the program?

Even if you received a benefit less than a year ago, you can come back and get another! You may choose between a \$100 Clipper Card or a \$200 FasTrak® toll tag.\*

\*If your previous benefit was a \$100 FasTrak® toll tag, you may choose to receive a new FasTrak® \$200 toll tag once the previous \$100 has been fully spent down.

### How do you verify eligibility?

Eligibility is verified through paystubs, a letter from your employer, or a benefits letter. If none of these options are available to you, you may sign a Self-Declaration statement stating your income.

### Is this transportation benefit limited to one person per household?

No, multiple people who live within one household may receive this benefit if they meet the eligibility requirements.

### Are there other transportation discount programs available to me?

Yes, Clipper START is a regional program that provides a 50% discount on transit fares for qualified individuals. If you qualify for Clipper START, you will receive a different Clipper Card associated with that discount program. For more information and to apply online, visit [www.clipperstartcard.com/s/](http://www.clipperstartcard.com/s/). Plus, most of the Core Service Agencies can provide brochures which contain paper applications and additional information about the Clipper START Program.

### What happens after the \$200 benefit runs out?

If you select the Clipper Card benefit, you may continue using the card, but will need to load additional funds to pay for future transit trips. For more information, please visit: [www.ClipperCard.com](http://www.ClipperCard.com).

If you select the FasTrak® toll tag benefit, you can continue to use your toll tag, however you will need to add funds to avoid toll penalties. For more information, please visit [www.bayareafastrak.org](http://www.bayareafastrak.org).

### How is this program funded?

The Community Transportation Benefits Program is sponsored and funded by the San Mateo US 101 Express Lanes.
